In case you missed the furor (or perhaps *Der Führer*) from Wednesday's Executive Council vote, here it is: <https://reopennh.com/despot-emperor-sununu-oversees-arrests-without-cause/>. Stew Peters covered the patently unwarranted arrests in his video here:

## Millipore Action Thursday Oct 14

About 80 people convened outside of MilliporeSigma in Jaffrey yesterday to protest the *Take the Jab or Take a Hike* mandate. Many were employees. Word was that managers were told not to go out there even on their free time. Amazing how many companies doing business in the US do not know about the first amendment. Only two people were willing to be interviewed on camera, most were afraid of reprisals. We need a new corporate culture in the US. Video below by Tom B. (click on image to watch)
