Thanks for all the well wishes as I recover from COVID. Mine was a relatively mild case from all reports. Lots of others in the immediate community have also recently contracted it, all are fine from what I hear as they follow the various protocols. We will now all have long-lasting durable immunity, boom!

In another bit of good news, Jaffrey's Millipore has suspended its vaccine enforcement.

Have a great weekend!

For those who don't understand, what [@P_McCulloughMD](#) did on [@joerogan](#) was the equivalent of a 5 star general taking the hill without cover while the infantry hides in foxholes.

His courage and self sacrifice should inspire all physicians to be better doctors and people.
