December 4th Event A Success

Our gratitude to all those who came out to play last Saturday for our Prepping and Priming System B event. About 65 people were on hand for a lively time of learning and connection. Thanks especially to our presenters, John Yannacci and Nathaniel Rowan, who shared their knowledge of all things prepping, and to others who hosted networking tables: Peggy Schauffler on home remedies, Lori Schreier on winter food storage and 2022 gardening prep, Melissa Creem from NH Liberty Alliance, Josh C. on communications and tech privacy, Michael Walsh on law on governance. Our thanks to Peggy for her provision of healthy snacks, and to the setup and cleanup crew, including Bill, Lori, Melissa, Tom, Ruthellen, Kevin, John, Josh, David, Julia, Steve, and for Jenn D. and her daughter on childcare, and others who helped in various ways. Finally, our thanks to Village Church for the generous gift of their space.
