

## Newsletter 1/21/22

**The pandemic narrative is crumbling.** The CDC is finally admitting that the [jabs do not prevent transmission](#) and is embracing "focused protection" similar to the recommendations of the Great Barrington Declaration ([after calling such recommendations a "deadly delusion"](#)). Boris Johnson announced that the [UK is ending all COVID passports, mask mandates and work restrictions](#), the [Czech Republic just has abolished mandatory vaccinations](#), the [WHO is admitting that there is 'no evidence at all' that healthy children or adolescents need boosters](#), and [EU regulators warned booster shots could weaken the immune system](#). Not everyone is going along, however: Austrian lawmakers voted yesterday to [require all residents aged 18 and over to receive COVID-19 vaccinations](#).

Meanwhile in NH, Rep JD Bernardy "[Anti-Social Profiling Bill for Banks](#)" bill aims to curb one of the main goals of the Great Reset. The hearing was Wednesday, but the committee can still be written to @ HouseCommerceCommittee@leg.state.nh.us. They are also looking for examples (from NH residents) of instances where service was denied, loans rejected or anything that was discriminatory based on social profiling; folks can write to [jd.bernardy@comcast.net](mailto:jd.bernardy@comcast.net) or [deborah.hobson@leg.state.nh.us](mailto:deborah.hobson@leg.state.nh.us). [Here is Rep. Bernardy on the Glenn Beck show](#).

Watch [Dr. Paul Marik testify for the House HHS committee](#) on January 18th for HB1022, a bill to **make ivermectin available without a prescription** via standing order.

Also in NH, it's not too late to support **HB1644, establishing reasonable setbacks for 5G/EMF towers**. Write a brief note to Patrick Abrami , Gary Woods , Denise Ricciardi , [HouseScienceTechnologyandEnergy@leg.state.nh.us](mailto:HouseScienceTechnologyandEnergy@leg.state.nh.us). [Watch our zoom recording](#) of Cece Doucette, Director of Massachusetts for Safe Technology, discuss the EMF (electromagnetic frequencies) topic, their effect on health, and legal and legislative efforts to combat them (including HB1644). Her slide show PDF (with links) can be downloaded [here](#). The NH 5G Commission report is [here](#). Meanwhile, [airlines warn of 'catastrophic' crisis when new 5G service is deployed](#).

## Natural Remedies 101 Sunday 1/23 2-4PM, Keene

**Cost: \$20. With Peggy Schaffler, Country Life Restaurant**

A healthy body fights infection, heals wounds, kills cancer cells, repairs damage, and fights the aging process. However, maintaining and restoring health so your body can effectively utilize the natural healing processes requires a bit more than visiting the doctor after something goes wrong. You will be provided with handouts.

Find out how to use items in your home and in your pantry to treat your family members. We will cover:

1. Steam Baths ' Heat kills bacteria and virus'. Steam raises the bodies temperature and we will learn how to do this from our own home.
2. Hydrotherapy. Sometimes we don't want to heat the whole body. We will learn this very effective treatment that works beautifully with pneumonia, inflammation, infections and more.
3. Learn how the immune system works and some ways of keep our immune system in optimal working order.
4. Learn about items to keep on hand such as charcoal or items such as onions which are very helpful and effective in the flu season.
5. Hear experience and share experiences on blood poisoning, burns, chickenpox, cancer and more.
6. Learn how to use essential oil and how to tell a real vitamin from a fake and the difference in how they heal.

Call or email ahead so we have a head count: 603+357-3975,  
[peggy@countryliferestaurant.com](mailto:peggy@countryliferestaurant.com). No age limit. Pay at the door.
