April 2: The Art of Navigating Difficult Conversations

Becoming a Resilient Community with Nonviolent Communication

Saturday April 2, 1-3PM, Country Life Restaurant, Keene

with Kristen Reynolds

Community and relationships takes communication. Most of us don't learn much in the way of communication skills growing up, because our society has an idea that communication is natural and instinctive. Our *desire* to communicate *is* instinctive, but the ability to do it well is not. Nonviolent Communication, founded by Marshall Rosenberg, is one of the best communication skill sets I know. With its help I've improved all my relationships and have helped groups stay together. I'd love to share it with this group, especially during this time of great stress and change.

Cost: \$10-\$20 sliding scale. Pre-register with Kristen at kreynolds3000@gmail.com.

To manufacture each EV auto battery, you must process 25,000 pounds of brine for the lithium, 30,000 pounds of ore for the cobalt, 5,000 pounds of ore for the nickel, and 25,000 pounds of ore for copper.

All told, you dig up 500,000 pounds of the earth's crust for one battery."

Soy-free organic laying hens for sale

\$35 each. 9 available Location: Acworth

Last year I bought 12 cute chicks to add to my organic flock, but I was apparently overly optimistic about being able to sell eggs. I am now inundated with eggs and have decided the best solution is to sell some of my newly-laying pullets/hens. The chickens are about 9 months old. They are black australorps. They have been fed organic feed since the beginning. I feed Green Mountain soy-free organic layer pellets and fermented organic grains with free choice oyster shells and kelp. Perfect for someone who wants their own eggs, but doesn't want to wait 5-6 months for baby chicks to start laying eggs or for anyone wanting to be more in control of their food supply. <https://nh.craigslist.org/grd/d/south-acworth-laying-hens-chickens/7457092296.html>

I also have a friendly aracauna-mix rooster that could go along for \$20 if you want fertile

eggs.
