### **Extreme Deadline: Biden About to Give Over U.S. Sovereignty to WHO**

*SEND THIS EMAIL TO CONGRESS*

*Congress is asleep at the wheel. They need to investigate this clear and present danger to our sovereignty. Please help us wake them up and get their attention. ALERT THE MEDIA TOO.*

<https://jamesroguski.substack.com/p/send-this-email-to-congress?s=r>

### **Dr. James Lyons-Weiler: I Warned You To Watch the FDA. Act Now, or Watch COVID-19 Become Serious in Young Kids**

*Peter Marks has thrown out the efficacy requirement for approval of COVID-19 vaccines for children under the age of 5. Which means FDA approval in June is a possibility.*

## Remembering Terry Landis

Terry would sometimes appear at Country Life Restaurant in Keene for our Wednesday gatherings. She always had a ready smile. Our thoughts are with her family.

***From her [FB page](#):***

Terry passed peacefully in her sleep at home very early Wednesday morning. The family had a vigil for her and got to spend the day together in the sunshine. She was buried in her favorite place, her home in Jaffrey- surrounded by so much love. Here is her GoFundMe: <https://www.gofundme.com/f/helpterrylandis>. Each dollar raised and continued to be given will go towards helping Terry's husband, Hugh with bills, a celebration of life (details to come), and the transition to this new chapter of life.

Please light a candle, sing a song, or speak a poem, in Terry's honor. She touched so many hearts, and will continue with her memory carried on by her children, grandchildren, husband, family, chosen family, friends, and of course, her music.

### **Fundraiser for Peggy Schauffler**

Peggy Schauffler is the owner and manager of Country Life Restaurant in Keene which serves the community in many ways, not the least of which is cooking delicious, nutritious, vegan food made with love. Peggy has provided a supportive welcoming place for many to gather and share support, camaraderie, music, health education, gardening events and nourishment during difficult times of the past 2 years and beyond. Peggy receives no compensation but offers her work as a service and gesture of love to the community.

At this time Peggy is needing our support. She is attempting to heal cataracts in both eyes with natural remedies which often works for most health issues but so far she hasn't seen results. Her left eye is mostly blind. Her daily tasks are greatly compromised. Her insurance only covers a small portion of the surgery for each eye. \$3000 is needed to cover the uninsured costs for the surgery for the eye that is currently blind. Your support will go a long way towards restoring Peggy's eyesight and providing some normalcy to her life. Thank you for whatever you can give. Here is the link to the fundraiser:

### **The Miracle of Man: the Fine Tuning of Nature for Human Existence**

New book by Biologist Michael Denton. Drawing on discoveries from a myriad of scientific fields, Denton masterfully documents how contemporary science has revived humanity's special place in nature.

*"The human person as revealed by modern science is no contingent assemblage of elements, an irrelevant afterthought of cosmic evolution. Rather, our destiny was inscribed in the light of stars and the properties of atoms since the beginning. Now we know that all nature sings the song of man. Our seeming exile from nature is over. We now know what the medieval scholars only believed, that the underlying rationality of nature is indeed 'manifest in human flesh.' And with this revelation the... delusion of humankind's irrelevance on the cosmic stage has been revoked."*

## **Bills, Elections and Voting**

### **Naomi Wolf Interviews Melissa Blasek of RebuildNH**

*Note from John Yannacci:* This is a link to Melissa Blasek's recent interview on Naomi Wolf's Rumble Page. Very impressive. Few people have done more damage to our enemy in the last year than her. She is running for re-election and asking for donations. My guess is that she is going to have a big target on her back and that her opponent will be well funded.

### **The Resolve Initiative**

The NH Resolve initiative is a **nonpartisan write-in campaign** that is gaining traction extremely quickly. The point of this innovative idea is to assemble voters and create an ideal lineup of candidates for the 2022 election cycle; from the Governor, to the Executive Council,

to the Senate, and even the County Sheriffs. Leveraging off all the existing resources but uniquely outside the current campaign framework lending itself to an increased inventory of great legislators versus the typical bought-and-paid-for Pay-to-Play politicians.

| 1 I will try to reach a shared understanding rather than 'win the argument'.                   | 2 I will clarify with others to make sure I genuinely understand their perspective.    |
| 3 I shall endeavor to avoid committing logical fallacies in support of my claims.              | 4 I will attempt to account for my own biases and try to be intellectually humble.     |
| 5 I will also try to be reasonable, rational, and create coherent arguments.                   | 6 I may challenge ideas, but will refrain from personal attacks and mean-spiritedness. |
| 7 I will use the 'Principle of Charity' to interpret others' points of view in the best light. | 8 I promise to remain genuinely receptive to changing my mind.                         |
