

Newsletter 5/27/22

Welcome to our Friday Edition newsletter with curated news of the day. We feature a number of articles on **Davos**, where the elites are doing us the grand favor (really) of NOT hiding their agenda. There's also a link to RebuildNH's press release on the **failed parental rights bill**, and much more. As always, memes can be found at the bottom.

If you missed Monday's Zoom with **Kristen Reynolds discussing how to best approach blue-pilled family members**, please see the recording here: <https://riseupnh.org/weekly-zoom/>.

Please note that there will be no Zoom meeting this coming Monday (and no newsletter, either), in honor of Memorial Day.

To Victory, Sanity, and Community!

John-Michael and the RiseUpNH team

*Rise Up NH and VCAL and projects of the Collaborative Communities Coalition, a 501(c)(3) nonprofit. We are a diverse non-partisan group focused on education and community building. **PLEASE DONATE TODAY** to support our efforts.*

Always remember: no one is telling you what to think or believe, or even what is true. Do your own research, consider multiple perspectives, suspend final conclusions in favor of continuing research, and always make up your own mind. Collective sense-making is a path, not a destination.

Update on Fundraiser for Peggy Schauffler

She misses being at Country Life but she is where she needs to be now and looks forward to coming back and literally *seeing* all of you then. Here is the link to the fundraiser:
