Welcome to our **Monday Edition** newsletter with curated news of the day.

**HIGHLIGHTS:** In NH, **Sununu's case against the "Noble 9"** appears to be on the rocks (now, can he be sued for this?). There's still time to comment to **stop the kiddie vax** efforts by the FDA. **Bitcoin is down** and some cryptos appear to be crashing, while the **US economy continues to implode**, the **Jan 6 Committee** continues its farce, and the NYTimes admits **lockdowns may have killed nearly 200k**. On an up note, we're having a **cookout/music/bonfire gathering this Saturday in Keene** (details under Events).

We are also featuring two new sections to the newsletter: **Relocalization** and **Technocracy & Transhumanism** - see sections below.

As is customary, **Memes** can be found at bottom.

**Today's Zoom** session will be an open discussion of news as well as polling your current priorities re: prepping, social contact, support, etc.

*In case you missed it:*

### **RUNH Community Conversations: Groups started!**

We met in person in Gilsum on June 4th as a follow up from our meeting about a month prior (it's always wonderful to meet in person!) We've come away with four groups:

- 1. Community Group**, which covers all things that encourage and deepen community such as music gatherings, dance, barter swaps, prayer circles, camaraderie, and intentional community;
- 2. The Prep Group** plans for the future, with topics like emergency plans, storing food, foraging, and work parties;
- 3) The Economy/Politics Group** covers political writing and activism, running for office, studying the constitution, and alternative currencies (this year, a couple of our members are

running for office, Frank Natoli and Joe Myrzo - supporting their efforts could be a part of this group's mission); and

**4. The Awakening Consciousness Group** considers the big picture and ask such questions as: what positive stories might capture the opportunities of our time? what gives us meaning? and, how do we constructively engage others in our community... other topics under the umbrella of this group are Nonviolent Communication, meditation, personal resilience, core values conversations (e.g., around freedom, sovereignty), leadership in the midst of chaos, etc..

Each group has autonomy and decides what topic they want to work on, and what their goals are. If you would like to know more about a group or if you'd like to check one out in person, let either John-Michael or Kristen Reynolds know.

## Children's Health Defense

June 10, 2022

### VIA EMAIL

Dear Dr. Califf, Dr. Walensky, Sec. Becerra, Dr. Marks & VRBPAC Members:

I write to you on behalf of Children's Health Defense (CHD), a non-profit organization devoted to the health of people and the planet. We have actively followed your work to evaluate, authorize and approve vaccines for the American public, particularly children.

We are aware that you are likely to grant Emergency Use Authorization (EUA) of Pfizer's BioNTech SARS-CoV-2 vaccine for children ages 6 months through 5 years old, and Moderna's COVID-19 mRNA vaccine for infants and children ages 6 months through 5 years and 6 years through 17 years of age following your upcoming meetings on June 14-15, 2022. We are writing to put you on notice that should you recommend these pediatric EUA vaccines to children 6 months through 17 years old, CHD is poised to take legal action against you. CHD will seek to hold you accountable for recklessly endangering our children with products that have little, no, or even negative net efficacy but which may put them, without warning, at risk of many adverse health consequences, including heart damage, stroke, and other thrombotic events and future reproductive harms.

## RULES OF CIVIL CONVERSATION

1	I will try to reach a shared understanding rather than 'win the argument'.	2	I will clarify with others to make sure I genuinely understand their perspective.
3	I shall endeavor to avoid committing logical fallacies in support of my claims.	4	I will attempt to account for my own biases and try to be intellectually humble.
5	I will also try to be reasonable, rational, and create coherent arguments.	6	I may challenge ideas, but will refrain from personal attacks and mean-spiritedness.
7	I will use the 'Principle of Charity' to interpret others' points of view in the best light.	8	I promise to remain genuinely receptive to changing my mind.
