

Newsletter - Friday August 26, 2022

Welcome to our **Friday Edition** with curated news of the day and **Memes** at the bottom. Martin Geddes perfectly captures why we are all persevering: **Why we keep on going and won't stop:** *The loving means lead to justice for all in the end,*
<https://newsletter.martingeddes.com/p/why-we-keep-on-going-and-wont-stop>.

In our Weekly Zoom, we discussed the globalist disinformation machine having to work overtime to hide deaths from the jab -- as seen by their euphemistic SADS label, which sounds a lot like the comparatively mild Seasonal Affective Disorder acronym, but stands for "Sudden Adult Death Syndrome", ridiculously blaming everything under (and including) the sun for what we've been witnessing. We discussed deaths in NH, the crumbling mandate narrative along with jab and mask mandate updates (for schools and children in particular, including in Keene area schools and universities), the nature of the social control system that keeps mandate practices in place, the upcoming gubernatorial election in NH, the need for a ranked choice voting system, and more.
