Welcome to our **Friday Edition** with curated news of the day and **Memes** at the bottom. Today the internet is aflush with reactions to the **Biden Rant** from yesterday -- see the *Politics* section below. Nothing good can come from demonizing as much as half the population.

This past Monday's Zoom conversation with Dan Richard featured Dan's sharing about his recently-filed voting machine [lawsuit](#). Watch the recording here:

The Anti-Plague Herbal Formula

In this brief demo at Country Life on Wednesday, Judy showed us how to make an Anti-Plague Herbal Formula (Recipe [HERE](#)). This powerful immune-building herbal formula was developed by Dr. Christopher during the 1918 Spanish Flu. The herbs are eight of the most powerful respiratory herbs on the planet along with two gallons of fresh juiced organic garlic - the nuclear weapon.

From Health Freedom NH:

NH Department of Health and Human Services (DHHS) wants to “California” our New Hampshire.

Recently New Hampshire passed legislation that removes the notarization requirement on vaccination religious exemption forms. So DHHS, without statutory authority, overhauled the form they offer, and posted it to the website. The new version is rife with agenda and self-incriminatory statements. Members of the Joint Legislative Committee on Administrative Rules (JLCAR) requested DHHS to take it down as they had no legislative approval. Now DHHS is pushing for rules to allow them to issue and require parents use the new form. Meanwhile some schools have been requiring it! (Our website clarifies your rights on that matter.) DHHS skirts legislation and writes rules that undermine our legislative process. Pharma-aligned bureaucrats at DHHS believe that they can take liberties affecting your bodily autonomy and then ask for permission after the fact! Are you okay with that?

1) Contact the members of JLCAR (members' contact info here: hfnh.org/jlcar) -

Suggested points:

Oppose the unlawful DHHS power grab to mandate an incriminating exemption form.

DHHS lacks the statutory authority to issue and require an exemption form.

DHHS lacks the statutory authority to add requirements to the religious exemption process.

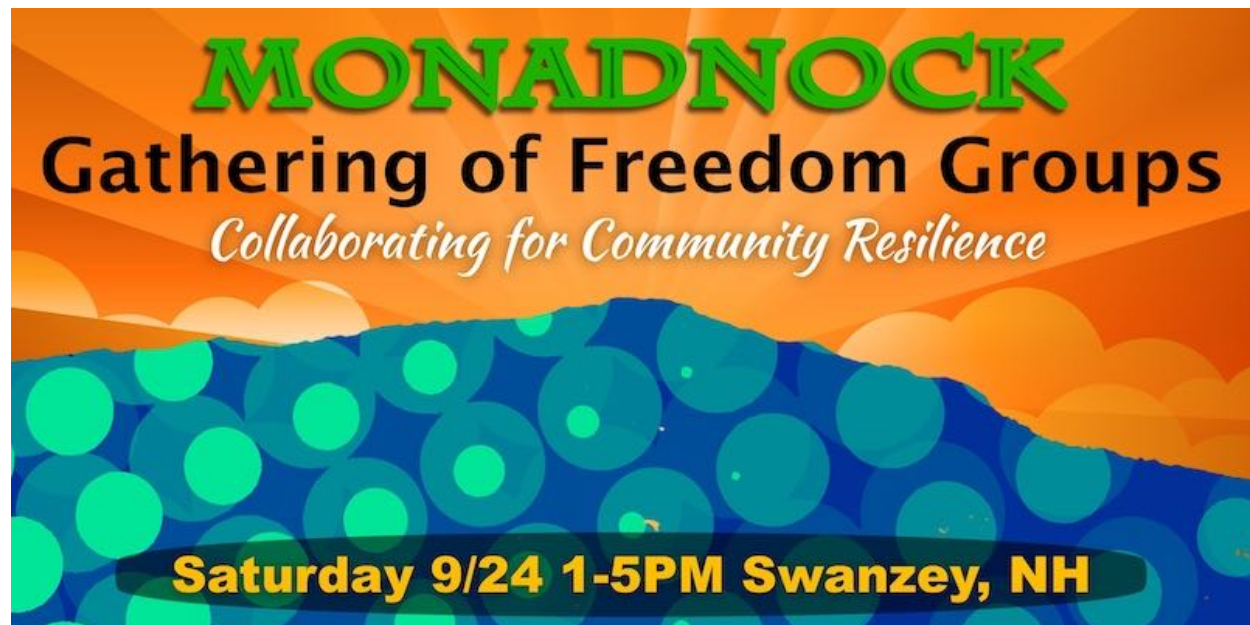

Any further DHHS involvement in this matter should come through a bill in the NH Legislature.

2) Attend September 15th JLCAR Committee Meeting

Time and location have not been clarified yet, but is typically: the Legislative Office Building, Room 306-308, starting at 9 a.m. The rule will be considered during a "Public Meeting," meaning legislators will not be accepting public testimony. If we send enough emails to the members of the JLCAR committee, the chairman may consider opening up the meeting to testimony from the public.

Click here to view the proposed interim rule:

Disruption is necessary if we are to stop the spiral, fill in our civic ruts, and throw out the existing outrage scripts. But we must disrupt well, in ardent and disarming ways that win people to us rather than just getting us past them.
