

Newsletter - Friday October 21 2022

Welcome to our **Friday News Edition**. As you no doubt have heard, and against all common sense (and real "science"), the CDC's ACIP committee yesterday voted to add the C0V@x to Childhood Vaccine Schedule. James Howard Kunstler captures the essence of our collective outrage in his essay this morning, **The Authorities Are Our Enemies**: *"the CDC has not only put an as-yet-untold number of kids on the road to disability, infertility, and death, but it may have coincidentally destroyed public schooling in America."* Read the full post at <https://kunstler.com/clusterfuck-nation/the-authorities-are-our-enemies/>.

On this past Monday's Zoom chat, we featured a presentation on the Emergency Radio Club. We began with a brief update on the attempt of US Cellular to install 5G towers in Keene neighborhoods (more updates to come), before we moved on to the primary presentation on emergency radios. Jack Shimek of the Pine Tree Radio Society, based in Weare NH, shared some radio options, and offered to travel for any group wanting to get more clearly trained on the GMRS bands. He discussed licensed vs not, when to use, and when not to. We concluded the chat with a discussion of the progress in the vaccine truth movement, and Biden's recently reinstated Pandemic State of Emergency. SOVEREIGNTY NOTICE:

No one is telling you what to think or believe, or even what is true. Articles and videos offered here do NOT imply any kind of imprimatur of truth or finality on the part of anyone in Rise Up NH, but are offered for consideration as partial perspectives towards gaining a fuller picture of what's so. In general, we do not repeat the ubiquitous mainstream narratives, though most items reference these in their arguments. Do your own research, suspend final conclusions in favor of continuing research, ignore what doesn't ring true for you, and always make up your own mind. Collective sense-making is a path, not a destination.

Help Support Local Student's Singing Tour

I am going on a singing tour in Spain with my choir, the Cecelia Ensemble in April. In order to go, we have to do fundraising to pay for the tour. One thing I am doing is selling raffle tickets. The tickets are for a chance to go on an all-expenses-paid 3-day weekend trip to either London or Paris, your choice! The brochure with all the information is here: <https://bit.ly/3Tb9CHi>. The tickets are \$20. Email artsybobcat2@gmail.com to get a ticket. The deadline to buy tickets is November 1st (the drawing is November 14). If you are interested, or know anyone who is interested please email back and let me know! I would really appreciate the help.

Thanks,

EXCERPT FROM Page 7 "Silent Weapons for Quiet Wars"

"The quality of education given
to the lower class must be of the
poorest sort, so that the moat
of ignorance isolating the inferior
class from the superior class is
and remains incomprehensible to
the inferior class. With such an
initial handicap, even bright lower

upper class."
