Welcome to our **Friday News Edition** with curated news of the day and memes at bottom. As more celebrities, newscasters and athletes continue to succumb, and the exposure of the deception, fraud and murder keeps bubbling up from below (viral truth escape), the controllers are doubling down with more lies, emergency extensions, no trips for the unjabbed, food and sky poisoning, new-and-improved shots, and now they're even coming for your gas stove. The pressure between the anti-human and pro-human forces is mounting to explosive levels... Is Biden being set up to be the sacrificial lamb? Regardless, We the People are finding our mojo with truth-telling, activism, congressional hearings, lawsuits, and good ol' Yankee self-reliance. Can you feel the tide turning?

RULES OF CIVIL CONVERSATION

1 I will try to reach a shared understanding rather than 'win the argument'.	2 I will clarify with others to make sure I genuinely understand their perspective.
3 I shall endeavor to avoid committing logical fallacies in support of my claims.	4 I will attempt to account for my own biases and try to be intellectually humble.
5 I will also try to be reasonable, rational, and create coherent arguments.	6 I may challenge ideas, but will refrain from personal attacks and mean-spiritedness.
7 I will use the 'Principle of Charity' to interpret others' points of view in the best light.	8 I promise to remain genuinely receptive to changing my mind.
