

LETS barter!

Local Exchange Trading System - a new way to barter

Saturday, April 1, 2023

10:30am to 1pm

The Village Church

121 Cobble Hill Road - Swanzey, NH

COST: Donation

With the "Great Reset" coming, let's learn to barter.

LETS is a useful way to barter between members of a group. It solves the "I don't have anything you want, so we can't barter" problem. Come try it out!

Please bring items worth \$1 to \$25. You can also offer services. For this event, we'd like the total value of what you offer in either services or goods (or both together) to be no more than \$100.

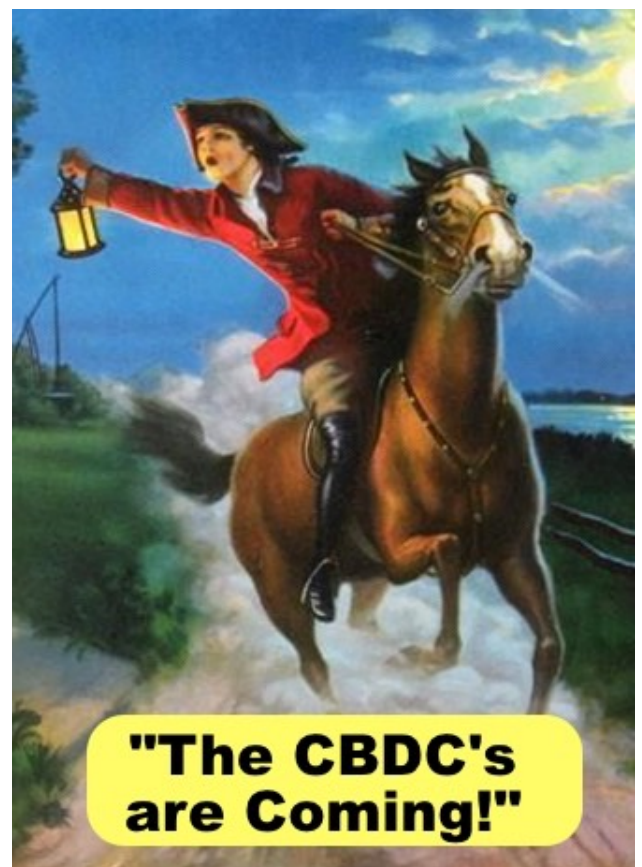

Homemade food of all kinds to sell, especially since the event is at lunch time. Bring paper plates if needed for your food.
