Welcome to our **Monday Solutions Edition** with curated news of the day and memes at bottom. Today we feature a number of excellent resources for physical, mental, social and spiritual health, reaffirming the wisdom that wellness is an inside job, and that our happiness is not determined by the chaos of the world around us. Those who hold to this are actually like social acupuncturists, bringing a sense of wholeness and sanity wherever it may be needed -- whether you speak or act or remain silent and prayerful. We are the ones we've been waiting for. :-)

Please join us for our Monday 1pm zoom for conversations on news of the day:
